I. Purpose

The purpose of this Administrative Directive (ADM) is to issue the Rate Year (RY) 2022 Domestic Violence State Aid Rates (DVSARs) for licensed domestic violence (DV) residential programs outside of the five boroughs of New York City (Rest of State, ROS). These DVSARs are for the period January 1, 2022, through December 31, 2022. A separate directive is issued for licensed DV residential programs located within the five boroughs of New York City.

II. Background

The New York State Office of Children and Family Services (OCFS) issues DVSARs annually to local departments of social services (LDSSs) in an ADM, advising districts of the methodology approved by the New York State Division of the Budget (DOB) for the purchase of services for licensed agencies

providing DV services. Rates contained in this ADM must be used by the LDSSs in contracts negotiated with the residential providers of DV services. Issuance of these rates is governed by Social Services Law §131-u and the applicable regulations of 18 NYCRR Part 408.

III. Program Implications

The DVSARs promulgated in this ADM have been calculated using the DOB-approved RY 2022 rate methodology for ROS DV residential programs, which is the same methodology used in prior years.

The rate methodology for licensed residential DV programs in ROS includes the following features:

- The DV Flat Per Diem Rates for RY 2022 include the following cost of living adjustments (COLA):
 - Personal Services (PS) = 3.25%
 - Non-Personal Services (NPS) = 2.6%
 - Food Add-On = 3.7%
- DV Per Diem Rates established by the LDSSs prior to the implementation of the current DV rate methodology will continue to be allowed where those rates are higher than the applicable DV Flat Per Diem Rate. Affected programs will continue to receive the higher of either the rate previously approved or the DV Flat Per Diem Rate as the basis for determining the current DVSARs for those programs.
- Programs that reported surpluses from government income in the base year will no longer have DVSARs that reflect a calculated reduction factor. The revision made in 16-OCFS-ADM-03 of the DVSAR allocation methodology that was originally set forth in 92-LCM-34 has eliminated the surplus penalty from the DVSAR methodology.
- The Food Add-On component of the DVSARs is a negotiated item between the DV residential program agency and the LDSS where the program is located. The Food Add-On Rate is included in the DVSARs when the agency and the LDSS formally request the Food Add-On Rate in writing to OCFS. Therefore, the Food Add-On Rate is included as part of the DVSAR for the specified program until OCFS is otherwise notified.
- 17-OCFS-ADM-16 indicates that residential DV programs are responsible for the costs of background checks and may not require applicants to pay for it. Applicants include employees, volunteers, consultants, and contractors. DV agencies must continue to track the cost of background checks and include them in line 18, Dues/Licenses/Permits, per 18-OCFS-ADM-12, on the OCFS-DV-2562, *Report of Annual Expenditures*.
- Agencies that did not submit the Domestic Violence Standards of Payment (DVSOP) submission for the 2020 reporting period will not receive a new DVSAR for RY 2022. The 2021 rate will remain in effect for those agencies and programs until which time the submission is completed and submitted to OCFS and an updated rate for RY 2022 is requested.
- OCFS will consider revisions to a DVSAR for the following reasons:
 - The Food Add-On Rate needs to be added or deleted from the base DVSAR.
 - The DVSAR reflects an incorrect DV Flat Per Diem Rate for the program size and type.

Agencies have 30 days from the issuance of the DVSAR to appeal the published rate. All appeals must be made in writing and mailed to:

Karen M. Williams, Section Head
Rate Setting Unit
Bureau of Budget Management
New York State Office of Children and Family Services
52 Washington Street, Room 314 South
Rensselaer, NY 12144

IV. Required Action

The DVSARs noted in Attachments A and C of this ADM must be paid by the LDSSs to licensed DV residential agencies providing residential DV services and care to eligible victims of DV during the period of January 1, 2022, through December 31, 2022.

V. Effective Date

This directive is effective as of January 1, 2022.
